

The Catholic University of Pusan's Institute of International Education Korean Language Program

I. The Catholic University of Pusan

The Catholic University of Pusan is a prestigious educational university with a 50-year history that nurtures global talents with upright character based on the educational philosophy of Truth, Love, and Service'. The College of Nursing, College of Health Sciences, College of Social Sciences, and College of Applied Sciences strive to improve the quality of education based on the philosophy of 'Truth, Love, and Service'. As a result of these efforts, it was selected as a leading university for the 4th Industrial Revolution in 2019 and obtained accreditation in the 2nd cycle university institutional evaluation and certification. In 2020, among universities in Busan, Ulsan, Gyeongnam, and Jeju, it was ranked first in the evaluation of the private university social responsibility index, enhancing its reputation and status as a prestigious university leading the development of the local community.
